

App Name: Tri-State Outdoor Safety

Group Info:

Alec Hurst- Grade 6, Elydale Middle School, Lee County

Jacob Miele- Grade 8, Thomas Walker High School, Lee County

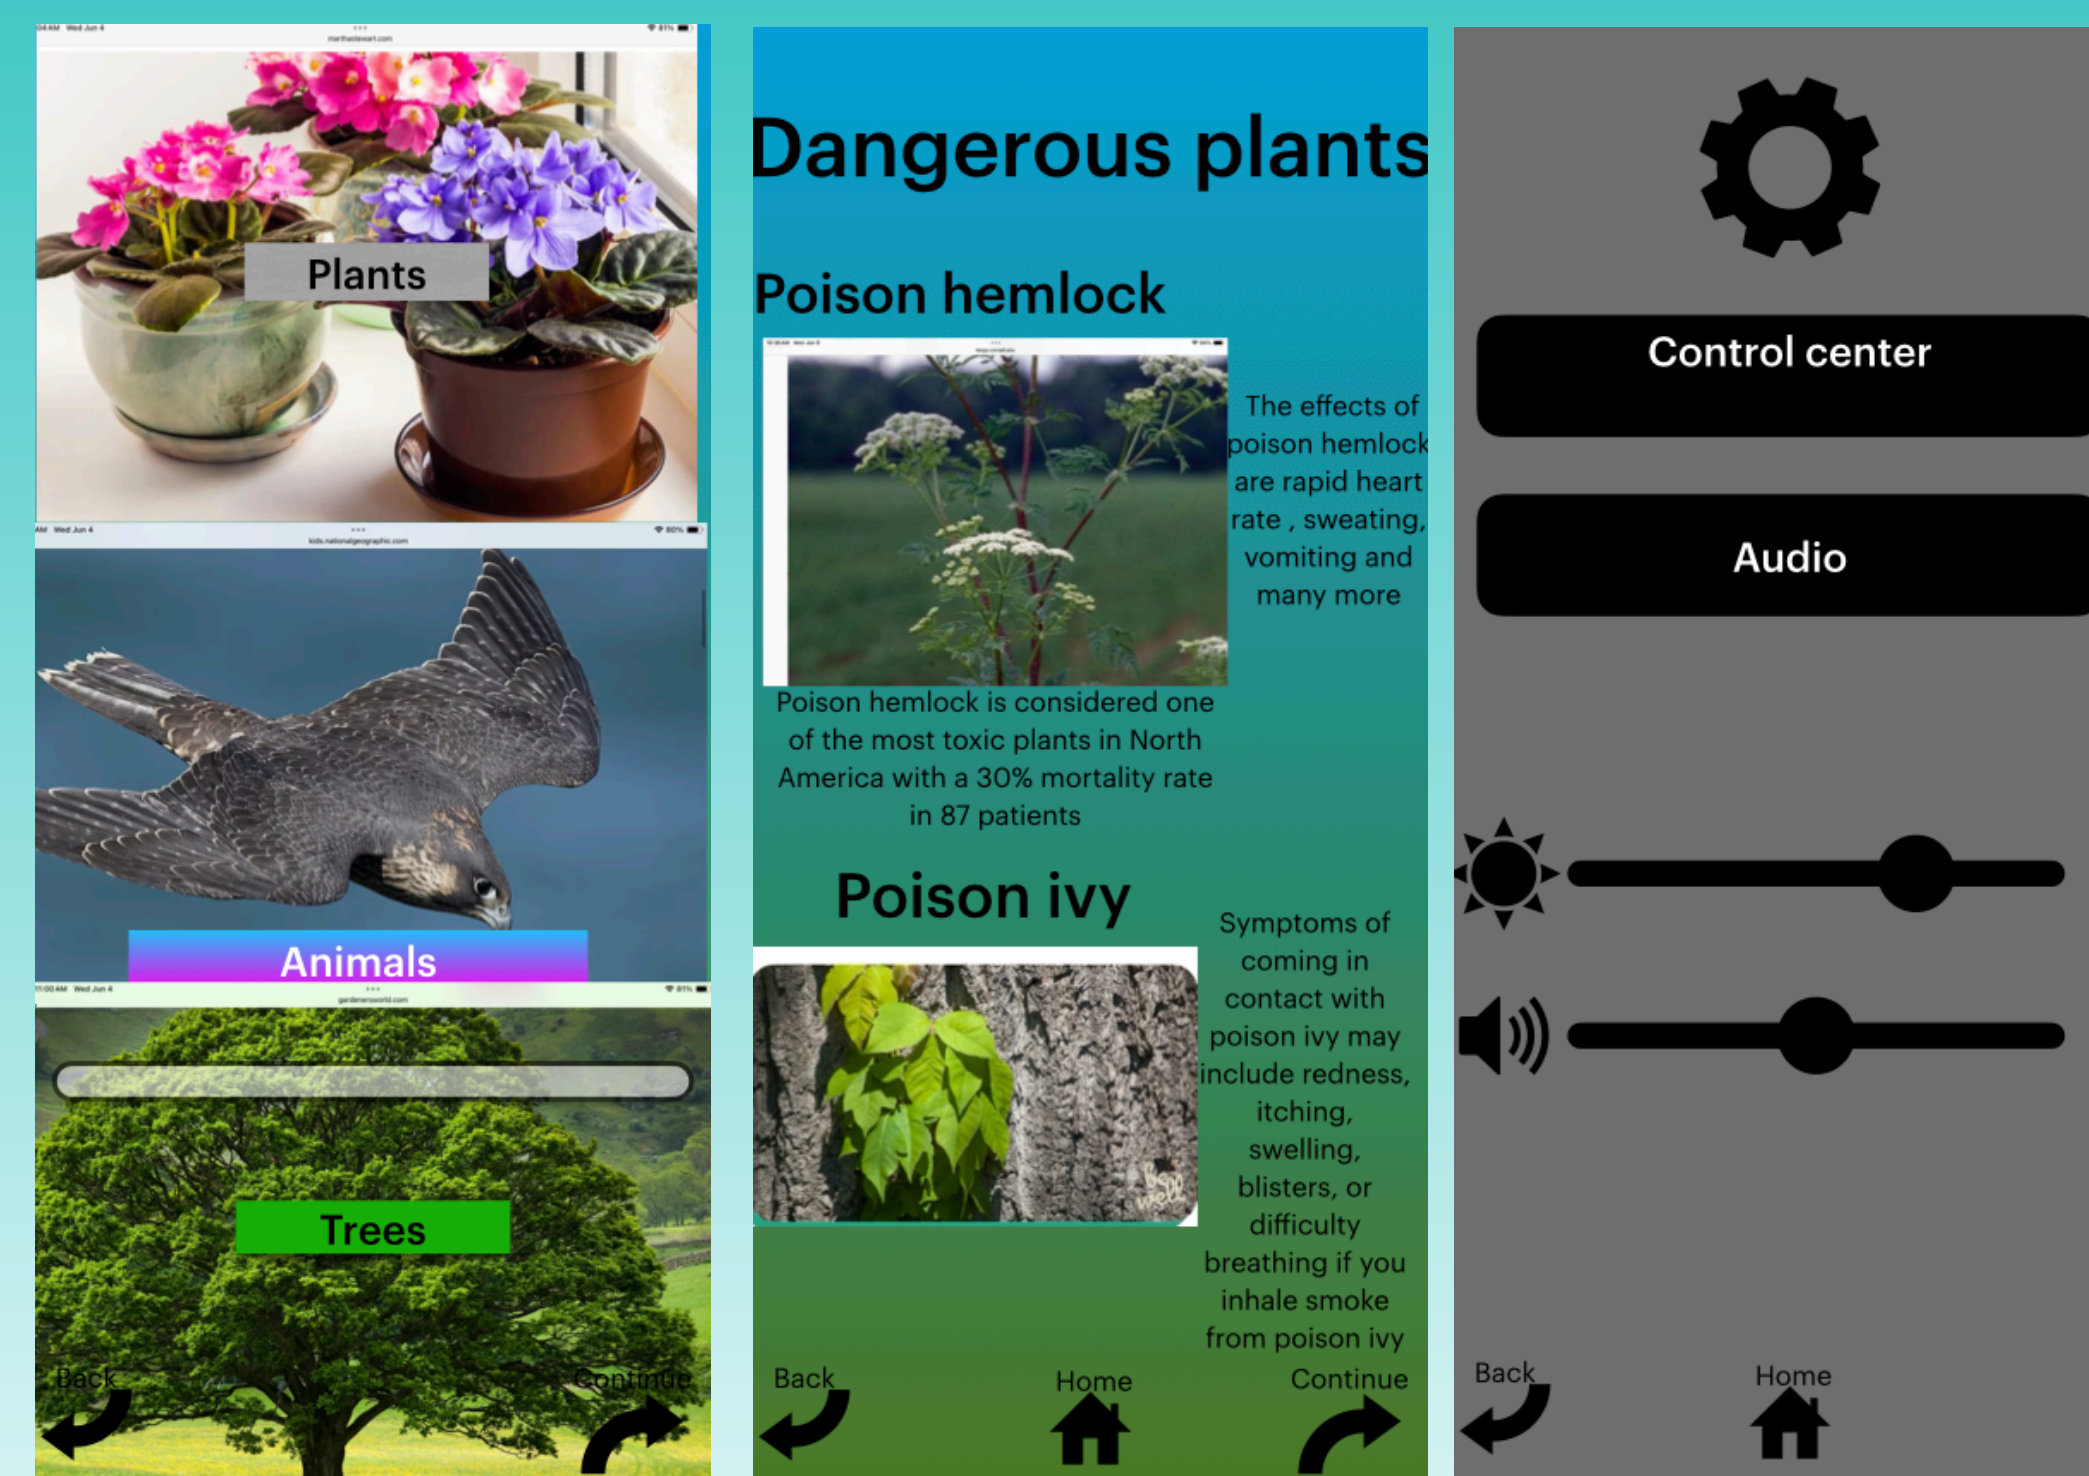

Jozef Zarycki- Grade 6, Elydale Middle School, Lee County

App Rationale:

This app is about animals and how to identify them to help you stay safe while outdoors.

Design Process: We did a lot of research.

Target Audience:

Our app is for anyone who is spending time outdoors to help them identify plants and animals to stay safe.

User Interface, User Experience, Coding Concepts:

We included a forward and back button to make navigation of our app easier. We also have a settings page.

Next Steps:

We want to add more plants and animals.
